Managing Your Class Schedule

Students who have registered may make changes to their schedule in the WVCPortal. Always review your current balance after making any changes to your schedule.

Adding Classes

To add a class once the term begins, you must attend the first class meeting. If there are seats available, the instructor will assign students Add Codes for the class. The Add Code is a six-digit alpha-numeric code that gives the student permission to add the class on our WVCPortal. Add Codes must be used by the deadline.

It is your responsibility to meet all pre and corequisite requirements prior to registration. It is also suggested that students monitor their courses through the WVCPortal on a regular basis. In addition, it is your responsibility to drop the course you added if you no longer want it. Be sure to check deadline dates.

Note: An add code cannot be issued before the start date of the class. Wait list ends once class begins.

Dropping Classes

Full-Term Classes

The WVCPortal can be used to drop classes before or after the term begins. It is the student's responsibility to officially drop classes. DO NOT ASSUME THAT YOU WILL BE "DROPPED" FROM A CLASS BY THE INSTRUCTOR. IT IS THE STUDENT'S RESPONSIBILITY TO DROP ALL UNWANTED CLASSES. No enrollment fee refunds will be issued for classes dropped after the published refund deadline in the current Schedule of Classes.

Short-Term Classes

Students must drop **the day before the first class meeting** to receive a refund for short term classes that meet for five days or less. Refunds are also issued to students that drop short term classes that meet 5 times or more before 10% of the scheduled class meetings have elapsed.

Repeatability

State regulations allow few courses to be repeated. In addition, there are groupings of courses with similar content called "families" in PE, Art, Theater, and Music. West Valley and Mission College's "families" of courses are linked and students may only take 4 courses within a family whether the course is offered at West Valley or Mission College. Refer to the table in the online schedule, campus catalog or consult with a Counselor to review the full list of "family" courses.

Audit Information

An auditing student is a class observer who attends the class without the requirement of taking tests or completing assignments. Students must receive official approval from the specific instructor to audit the course. Priority in class enrollment shall be given to students enrolled in the course for credit toward a degree or certificate. High School students and F-1/I-20 students are not allowed to audit. No student auditing a course shall be permitted to change his or her enrollment to receive credit for the course.

To audit a course, students:

1. Attend first class meeting and request permission to audit the course from the instructor.
2. Obtain and complete an audit slip from the Instructor.
3. Bring form to Admissions Office during 3rd week of term with \$15 per unit fee. Audit fee will be waived if enrolled in minimum of 10 units.

For more details, see Audit Policy in the college catalog.

Concurrent Enrollment for High School Students

1. Complete an online application. (Go to westvalley.edu, CLICK APPLY NOW.) 48 hours after completing an online application: Check your e-mail for your West Valley ID number. Returned Check Fee

The WVC fee for processing checks returned by a bank due to insufficient funds, stopped payment or closed accounts is \$15.00 per check in addition to the original amount and may go as high as \$25.00, depending upon the response time on the check clearance. Passing of N.S.F., stop payment, and account closed checks may be considered a criminal offense and may be referred to the District Attorney's Office for prosecution.

Use of Social Security Number

Notification of Tax Identification Numbers (TIN) or Social Security Numbers (SSN) Required Collection & Usage. Federal legislation relating to the Hope Tax Credit and Internal Revenue Service (IRS) 1098T production mandates that all colleges report student SSN or TIN numbers to the IRS. This IRS mandate requires colleges to collect the SSN or TIN.

A student may refuse to disclose his or her SSN or TIN to the school but the

IRS is then authorized to fine the student in the amount of \$50. West Valley College assigns a unique student ID number to every student and does not use the SSN or TIN as a student identifier. All SSNs and TINs collected as mandated are protected by federal regulations under the Family Educational Rights and Privacy Act (FERPA).

The federal programs include: Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), and the Federal Direct Loan Program. The College is required to determine the amount owed and to bill the student. The student has 45 days to respond. If the student fails to pay the debt, the College is required to notify the National Student Loan Data Service (NSLDS) and at that time, the student becomes ineligible for any further financial aid consideration, regardless of which school the student is attending, until the debt is paid in full.

Financial Aid Updates

Satisfactory Academic Progress (SAP)

Federal regulations require schools and colleges to develop and apply a consistent standard of academic progress in determining student eligibility. The Government requires that students who apply for financial aid at West Valley adhere to this regulation by meeting Qualitative and Quantitative Standards.

Qualitative: Maintain a cumulative 2.0 GPA

Quantitative: Maintain a cumulative completion rate of 67% and complete educational objective in a period of time that is no longer than 150% of the published length of the declared program of study.

For additional information, please visit:

<https://www.westvalley.edu/financial-aid/progress.html>

Course Repeatability

Students repeating courses will be allowed to continue to benefit from financial aid based on the course repeatability regulation. Financial Aid will allow one repetition after passing the course. Passing grades are: A, B, C, D, P. Courses from which a student withdraws are not considered repeated coursework. Refer to the College's catalog for the College's course repeatability policy.

Lifetime Pell Grant Limits

Applies to all students regardless of when they received their first Pell grant. Students are eligible to receive Pell grant for up to 12 full time semesters. A student attending as a half-time (6 units) student is considered as having used half of a semester for purposes of tracking the Pell grant limits.

Unusual Enrollment History (UEH)

Unusual Enrollment History (UEH) means the student attends an institution long enough to receive (Title IV) federal student aid funds, leaves without completing the enrollment period, enrolls at another institution, and repeats the pattern of attending just long enough to collect Title IV funds without having earned any academic credits.

If selected, Financial Aid will ask for transcripts for all institutions/universities attended in the last four years. Students will also need to provide their reason(s) for jumping from school to school and submit documentation to back up their situation.

Veteran's Educational Benefits

New veterans should visit our website: westvalley.edu/services/veterans or contact the Veteran's Certifying Official in the Financial Aid Office, located in the Student Services Center (SSC), at least six weeks prior to the first day of school. Processing paperwork early can help avoid delay in receipt of first payment. You must bring a copy of your DD214 or 2384 (NOBE) or Certificate of Eligibility for Ch. 33 (post 911) and any documentation relating to spouse and/ or dependents. Returning veterans should allow the same amount of time for their requests. Continuing veterans should check with the Veterans Office as soon as they register each semester.

PAYING REGISTRATION FEES

Registration fees are due at the time of registration. If you are having difficulty, payment plans are available. Remember, if you can't pay by the deadline you risk being dropped from your classes. Please review payment policy, deadlines, and options at westvalley.edu/admissions/fee-schedule.html

Financial aid is always an option to cover registration fees and to assist with any other school related expenses. For more information visit westvalley.edu/services/financialaid/

PARKING REGULATIONS - Overview

A valid student, staff, or one-day “daily” visitor parking permit is required to park on campus. Parking permit requirements are enforced Monday through Sunday, between 7:00 AM and 10:00 PM.

Purchase and/or possession of a permit does not authorize parking on campus. It is the responsibility of the driver to properly park the vehicle and to properly display a valid and authorized permit. Vehicles with car covers are no exception. Restricted areas, including disabled parking, red zones, loading zones, staff parking, and time zones, are enforced every day, 24-hours a day. Overnight parking is prohibited without prior authorization from the District Police.

PURCHASING A PARKING PERMIT

The Board of Trustees has approved the distribution of free semester-length student parking permits to all registered students.

To receive a semester-length permit at no cost, students must order their permit by first logging into the student portal, and then using the “Parking Permit” ordering link found within the portal. Using the link in the portal is necessary to confirm student status, and to ensure the permit fee is waived at checkout. Student ID number, car make, model, year, and license plate number are required at time of order. A printable temporary permit will be immediately provided by e-mail if the permit ordered is currently in use.

Visitors may purchase a one-day “Daily” parking permit at any of the daily permit dispensers located throughout the parking lots. Daily permits are \$3.00 per day and all dispensers will accept cash, coins, and credit cards. Frequent visitors may also purchase a semester-length permit via the “Purchase Visitor Pass” link located on the parking information page on the college website. To be valid, all permits must be displayed on the front dashboard and the entire permit, including the expiration date, must be visible from the outside of the vehicle.

16 Frequently Asked Questions • Fall 2024

WVC Portal

The WVC Portal is our primary source of communication to our student population. Please check the portal often to be informed of vital announcements. Important details to help you with your college experience:

- Through WVC Portal, you can update your address at any time. It is your responsibility to keep your information updated and current.
- Use the WVC Portal to make sure your class schedule is accurate.

1. What is Priority Registration?

Sometimes called Priority Registration or Priority Enrollment. There are State-Mandated Priority Registration groups such as Veterans, Foster Youth, EOPS, CalWORKs & DESP participants. By state law, these groups must be given priority over all other students. West Valley College has also established College Priority Registration for other student groups. These groups may register after the state-mandated groups. Students who have not completed the 3 core requirements will register later than those who have completed these requirements. For more information see the Student Success Act.

2. How do I register for classes?

If a student misses two semesters (fall/spring), the student will need to file an application for admission. If class has not started and is not closed, students may register through the WVC Portal or in person, at the Admissions Office. If class has started or is closed, students will need to obtain an add code from the instructor and add online before the deadline.

3. How do I know if I'm a full-time or half-time student?

Full-time students must be enrolled in 12 units or more.

Half-Time student must be enrolled in at least 6 units.

This is solely for Fall and Spring semesters. Please see a Counselor to discuss registration status when taking winter and summer term courses. If proof of enrollment is required, students may request a verification letter from the Admissions & Records Office for \$2 or print their current class schedule from the WVC Portal.

4. How do I prove I have met a course prerequisite?

If a prerequisite course was taken at West Valley College, the system will automatically verify it and allow registration. If taken at another institution, an unofficial transcript, grade report or in progress print out should be submitted to the Welcome Center. Students also have the option to submit a challenge form along with supporting documents to the Welcome Center.

5. How many times can I repeat a class?

Students are not allowed to repeat courses that have been successfully completed with a grade of A, B, C or P. Students may repeat any course in which a substandard final grade (D, F, NP or W) was earned. If a student fails the same course TWICE, he/she is required to register in person, at the Admissions Office, for the THIRD and final attempt. An Academic Appeal Petition must be submitted to the Admissions Office for a FOURTH attempt when documented extenuating circumstances have occurred. See the college catalog for more information regarding course repetition for substandard work, documented extenuating circumstances and/or significant lapse of time.

6. When is the last day to register for a class?

The last day to register for a class is the day before the class begins, as long as there is space available. Once the class begins, students must obtain an Add Code from the instructor.

7. Can I audit a class and how do I sign up?

Some departments allow students to audit their classes for a reduced fee. Audit slips are obtained through the Dean's Office, signed by the instructor and processed in the Admissions Office after the ADD/Drop period has ended. No academic credit, record or grade is given. High School students and F-1/I-20 students are not allowed to audit.

8. Where do I get an Add code?

ADD codes are obtained from the Instructor and may be used to add a class through the WVC Portal.

9. How do I know if my class was cancelled?

A cancellation email will be sent to you. A cancellation notice will be posted on the classroom door. Check with the Division Office.

10. I am unable to attend the first class meeting(s). What should I do?

Contact the instructor by email and/or by phone and leave a message. For Instructor e-mail and phone numbers - Go to westvalley.edu/faculty and search for your instructor by name. If you are unable to locate the instructor's information, contact the Dean's Office coordinator.

11. When is the last day to drop with a full refund and without a "W"?

For Semester-length Classes - The last day to drop a semester-length class with a refund and without a "W" is within the first two weeks of the term. For Short-term Classes - Students must drop within 10% of meeting days. See the WVC Dates and Deadlines page for specific dates.

12. I am a high school student, how do I submit my grade to my school?

Students can order an official transcript through the WVC Portal or request an official transcript from the Admissions Office.

13. How do I know which books I need for my class?

Paths to Success at West Valley College...Join a Learning Cohort!

Research has shown that being a part of a learning cohort increases a student's chance of success. West Valley College has three learning cohorts from which you can choose. In the learning cohorts, students have an assigned counselor who is also their College Success (Counseling 5) instructor. The academic instructors work in tandem with the counselor to provide extra support in the student's first year of college. In each cohort, supportive friendships are built as students take two or more classes with the same peer group

CAMPUS SAFETY

The West Valley/Mission Community District strives to maintain a safe environment for students, staff, and visitors to pursue educational objectives. However, a truly safe and secure campus can only be achieved with thorough cooperation of all members of our College community.

Throughout the academic year, the District Police and Health Services in conjunction with Student Services presents informational programs concerning the awareness and prevention of sexual assault. These programs consist of guest speakers, films and printed materials. To obtain further information, please contact either the District Police, Health Services or Student Services. Counseling assistance is available through Health Services and the Counseling Department.

The College will vigorously prosecute and discipline persons identified as responsible for sexual assaults. In addition to criminal prosecution, the College may impose discipline against students, student organizations or College faculty or staff identified as committing or participating in sexual assaults. College discipline includes: expulsion from the College; suspension for a specific time period; or probation for a specific time period.

Discipline proceedings involving students will be processed through the office of the Vice President of Student Services. Discipline proceedings involving faculty or staff members will be processed through the District Human Resources office. Both the accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding. Both the accuser and the accused shall be informed of the outcome of any campus proceeding alleging a sexual assault.

Campus facilities are generally open Monday - Friday, 8am - 5pm, and during other hours as special events, extra curricular and as classes dictate.

REPORTING SEXUAL ASSAULT

As soon as possible, the victim should report incidents of sexual assault, including date or acquaintance rape to the District Police Department, the local police (if the victim is unable to make contact with the District Police), or a College faculty or staff member who can aid in contacting the proper authorities. The Counseling Department and Health Services can also help in contacting the proper authorities. The victim should make every attempt to preserve any physical evidence of the assault. This may include not showering or bathing, not cleaning the scene of the incident, and not disposing of any damaged clothing or other items. The District Police will immediately initiate a criminal investigation into on-campus sexual assaults.

The victim will be given information on counseling and support groups. If the victim wishes to change an academic schedule, the appropriate steps will be taken to accommodate the victim to the full extent possible. The College also encourages persons reporting to seek the support and assistance of friends

or family when needed, in presenting their concerns. Santa Clara County offers 24 hour counseling for victims of crimes. The Santa Clara County Valley Rape Crisis Center may be reached at (408) 287-3000. For more information refer to National Center for Victims of Crime: ncvc.org

SAFETY ESCORTS

There is an escort service at both colleges available from 5:00pm to 10:00pm Monday through Thursday. Escorts can be reached by dialing 2092 on campus or 741-2092 from a non-campus line. Times must be arranged in advance so the escorts can meet students at their classes. The District Police will provide you with assistance in unlocking your vehicle, providing jumper cables, or summoning a tow truck or locksmith to assist you. We cannot attempt to open vehicles which have electric locks or windows. We will also assist family members in contacting students who are in class if there is a serious family emergency.

CRIME PREVENTION

The District Police Department provides a number of services to help educate the campus community in how to avoid being a victim of a crime. Printed information is available at the West Valley Police Department and at the Mission College Police Desk on various topics including: Sexual Assaults, Vacation Security, Family Violence Reduction, Battered Women, Home Security, Crime Victims' Rights, Robbery Prevention, Car Crime Prevention, and How to Guard Against Attack In and Around Your Car. The police personnel are always available to answer questions and make suggestions regarding campus security issues. The campus community will be advised of any situations/incidents which pose a threat by the use of e-mail and the posting of bulletins. The sooner the police are called the better the chance of solving the crime. If you happen to see something suspicious, do not hesitate to call the police with a description of the persons, their vehicle and what they are doing. This may save a fellow student or staff member from suffering the frustration associated with being a victim. Remember it is a team effort. The police are here to serve and assist you, and need your help to maintain a safe campus that is conducive to learning.

CLERY ACT – ANNUAL SECURITY REPORT

The annual Security Report is available at the District Police Office, located on the West Valley Campus, and is available through the College website at wvm.edu/police/ This report includes campus crime and arrest statistics and other information that complies with the Jeanne Clery Disclosure of Campus Security Policy and Crimes Statistics Act. Campus crime, arrest and referral statistics include those reported to the District Police, designated campus officials, and local law enforcement agencies.

SEX OFFENDER REGISTRATION

All persons who are required to register as sex registrants per section 290 of the penal code should contact the District Police. Information on California's registered sex offenders is available for viewing by visiting the California Department of Justice website at meganslaw.ca.gov.

ILLEGAL DISTRIBUTION OF COPYRIGHTED MATERIALS

West Valley College students are prohibited from using the West Valley-Mission Community College District (WVMCCD) information network to illegally download or share music, video and all other copyrighted intellectual property. West Valley College supports the Higher Education Opportunity Act and Digital Millennium Copyright Act, including efforts to eliminate the illegal distribution of copyrighted material. Under the law, college administrators may be obligated to provide copyright holders with information about users of the WVMCCD information network who have violated the law. Be aware that illegal forms of downloading and file sharing as well as the unauthorized distribution of copyrighted materials are violations of the law and may subject one to academic sanctions from the college through the college's student conduct and discipline policies (as published in the College Catalog) as well as criminal and civil penalties, including a lawsuit against a student by the Recording Industry Association of America (RIAA). Learn more at campusdownloading.com. In addition to being illegal, file sharing drains the WVMCCD network's bandwidth, which slows computer connections for students and employees who are using the network for legitimate academic purposes and ultimately costs the college money. There are plenty of easy, affordable ways to get music online legally. To protect their intellectual property, companies have licensed hundreds of digital partners that offer a range of legal downloading options, including download and subscription services, legitimate peer-to-peer services, video-on-demand, podcasts and CD kiosks. For a list of sources that offer legal downloading sites, access: riaa.com

Prerequisites, Corequisites or Other Limitations on Enrollment Challenges

You have the right to challenge prerequisites or corequisites or other limitations on enrollment for the following reasons:

- 2) You believe that the pre- or corequisite was established in violation of regulation or in violation of district-approved policies and processes. (Supporting documentation must be provided.)
- 3) You believe that the pre- or corequisite or limitation on enrollment is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner. (Supporting documentation must be provided.)
- 4) You believe you have the knowledge or ability to succeed in the course despite

not meeting the prerequisite. (Supporting documentation must be provided.)

5) Enrollment in the course has been limited to a special group of students, and there are no other courses which would fulfill the requirement. You believe you would be delayed by a semester or more in attaining the degree or certificate specified in your educational plan. (Supporting documentation, including a copy of your educational plan, must be provided.)

6) The pre- or corequisite was established to protect health and safety and despite the fact that you do not meet the pre- or corequisite, you believe you are able to demonstrate that you do not pose a threat to yourself or others. (Evidence must be provided.)

To challenge a pre- or corequisite or other limitations on enrollment, complete the online challenge form following the specific instructions. Submit the completed form and any required documents. Your request will be evaluated by a challenge review committee (within five instructional days) and a response will be emailed to you.

Complaints

If you feel that Guided Self-Placement, orientation, counseling or any other matriculation procedure is being applied in a discriminatory manner, you may file a complaint. Refer to the Grievance Process located in the “rights and responsibilities” section of the current College Catalog or contact the Director of Human Resources and Employee Relations in the Human Resources Office.

Academic Appeals Committee

The College maintains an Academic Appeals Committee whose purpose is to provide an avenue of appeal for students seeking relief from the rules and regulations of the College pertaining to admission, readmission, residency, tuition or fees, degree or certificate standing, academic standing, and extensions of deadlines, priority registration, and fee waiver.

Prior to petitioning the Academic Appeals Committee, students must first attempt to resolve their problem or concern directly with the appropriate faculty member or Instructional Dean. Grade appeals are handled only by the instructor and then appealed first to the Department Chair; second, Dean; and finally, Vice President of Academic Affairs.

Petitions for relief from academic rules and regulations must be submitted in writing on forms available in the Admissions Office. Appeals of the Committee’s decisions may be submitted to the Committee for reconsideration if a student has additional EXTENUATING CIRCUMSTANCES that were not included in the original petition.

Decisions of the Academic Appeals Committee are final and binding, but may be appealed to the Vice President of Student Services in writing by the student within five (5) instructional days of reaffirmation of the Committee’s decision.

Changes in Rules and Policies

The West Valley-Mission Community College District and West Valley College have made every reasonable effort to determine that everything in this class schedule is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the Administration of the West Valley-Mission Community College District or West Valley College for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District and the College. The District and College further reserve the right to add, amend, or repeal any of their rules, regulations, policies and procedures.

Release of Student Information (FERPA)

Students have the right and the responsibility to control the release of information about themselves. On the WVC application, students indicate whether they want certain information to be released to any person or agency who requests it. By answering “yes,” students agree to allow their “name, address, telephone number, date and place of birth, major field of study, class schedule, (including classes, rooms, days of the week and time of day for each class), participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended by the student” to be released without their written consent. **Please be advised that answering “no” means that parents, family, friends, and employers cannot have access to the above-mentioned information while answering “yes” means that the College may release any or all of that information on demand.**

INFORMATION DISCLOSURE

The Family Educational Rights and Privacy Act (FERPA) and District policy afford students certain rights with respect to their education records. They are:

- 1) The right to inspect and review the student's educational records within 5 days of the day the College receives a request for access.

Students should submit to the Director of Enrollment, or other appropriate official, written requests that identify the records they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the office to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

- 2) The right to request the amendment of the student's educational records that the student believes are inaccurate or misleading.

They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for such amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

- 3) The right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

Upon request, the College discloses educational records without consent to officials of another school in which a student seeks or intends to enroll.

- 4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by West Valley College to comply with the requirements of FERPA:
