

WEST VALLEY COLLEGE

Schedule of Classes | Summer and Fall 2010

IT BEGINS HERE

Preach it! West Valley is so great! West Valley College's grade point average transfer scores are among the highest! I didn't think I'd do very well at a 2-year college, but I was wrong! They have some amazing teachers who really care.

You get an incredible, low-cost, very high quality education! Knowledge is a great gift!

I love the beautiful, park-like setting here at West Valley. The campus is clean and nice.

They are very knowledgeable and helpful! I got the training I needed to get a better job.

It is amazing what a great education you can get here, especially in this economic downturn.

Take advantage of all they have to offer. They are here to help you succeed.

Go here for your first two years, and get a guaranteed university transfer. I did it. You can, too!

I got perfect advising and my transfer to UC Berkeley went smoothly. I feel like I have arrived!

My instructors made sure I succeeded during my time at the college.

Go community colleges! The staff, professors, administrators, counselors, and financial aid people are soooo kind. The counselors and support staff help you to understand what you need to transfer. You feel a sense of community here.

WVC really gave me the message that they wanted me to succeed. I feel I received a great education here.

I feel really grateful for the fantastic education I got at West Valley. Such a wonderful community college.

Free wifi all over campus! I love going here! :-)) This place rocks!
