

**Leave a Legacy at West Valley College Viking Grove**

A beautiful and unique outdoor complex is being built adjacent to the new West Valley College Campus Center. The project is a legacy gift to the campus from the students and the result of a student architectural design competition.

The Viking Grove Tile Project was integrated into the Viking Grove outdoor seating areas where students will congregate for classes, listen to speakers, watch evening movies and lectures, and attend special events.

You can now leave your legacy at West Valley College by donating one or more designer-engraved tiles for yourself, as a gift, or as a memorial for a cost of \$75 for students and \$100 for District and college community members including administrators, alumni, community members, faculty, retirees, staff, vendors, and friends of West Valley College.

All tiles will be permanently installed, and each and every tile donor will be invited to a Viking Grove Dedication and Reception planned for Wednesday, May 1, 2013. Each tile will be in an earth tone shade of sand beige. Three lines of copy with up to twenty characters including spaces can be specified. The tile donors may select one of three custom artworks for the bottom of their tiles. The engraving is carefully sandblasted and will stand the test of time.

Please complete this form to order your tile(s). You may duplicate this form as needed or call the West Valley College Foundation at 408.741.2164 to charge via the phone or request additional forms.
