**Finding Periodical Articles**

To find other magazine or newspaper articles regarding your topic, search in one of the following periodical indexes using key words or phrases. The keyword/subjects listed for searching the on-line catalog may be useful in your search.

***ProQuest Direct*** 1986+

A web based electronic index-providing access, often full-text, to articles from magazines, business periodicals, peer reviewed research journals, and national newspapers (New York Times, Washington Post, Los Angeles Times and Christian Science Monitor.) For a “**Basic Search**” enter a word or phrase such as “architectural design” in the word search box and press the **Search** key. More detailed searches can be done by using the “**Advanced Search**” option.

***Readers Guide To Periodical Literature*** 1900+

Use this printed subject and author index to find periodical articles prior to 1986.

***Art Index*** 1959 – 1998

A subject and author index to publications including the fields of architecture and interior design.

**Internet Resources**

Use the *Library's Databases Page* (<http://www.westvalley.edu/library/databases/>) and click on the **Ready Reference** link to the Internet Public Library (IPL). Enter interior design or decoration or architecture in the search box to find links useful web sites. Or, use a search engine such as **google.com** or **yahoo.com**. Enter a word or phrase (use quotation marks around phrases) describing your specific topic.
