Develop and use your entrepreneurial leadership skills!

We invite students interested in global issues to apply for a semester-long collaboration with SJSU Salzburg Global Seminar Fellows and local high school students. The project will begin on March 4, 2013 and will provide participants with opportunities to learn about global citizenship. Selected WVC students will collaborate with SJSU fellows to help organize, participate in and work with high school students for a one-day conference focused on applying global citizen concepts to everyday life. The applications are available on the WVC portal: A stipend of $250 will be awarded to each selected participant.

Please submit your application by February, 28, 2013 online:

global.citizenship@westvalley.edu

For further information, please email ticky.kalivitis@wvcfj.edu or anna.brchko@wvcfj.edu

The applications are available on the WVC portal:

This project is organized by the WVC Global Citizenship Committee and is funded by the SB70 Global Entrepreneurship grant.

________________________________________

Have you studied or do you speak languages other than your own?

________________________________________

Please provide a paragraph response to the following questions:

1) Please describe your involvement in student life/activities in middle school, high school and/or college.
2) Please define a global issue that in your opinion deserves to be addressed by your generation and explain why.
3) Do you think that individuals should be exposed to cultures other than their own? Please explain.
4) Consider you are part of a group project where members are not equally contributing to the final product. Please describe how you would approach the situation.
