PROGRAM SPECIFIC WORKSHOPS

NEW Adult Re-Entry Students and/or NEW Career Programs Students

A workshop specifically designed to meet the needs of adult re-entry students or students who are interested in career programs offered at West Valley College. Call the Educational Transition Office, 741-2022, or the Career Programs Center, 741-2098, to sign up.

Program Specific Workshops continued next page
**CHANGING YOUR CLASS SCHEDULE**

**Before Instruction**

Students who have registered may make changes to their schedule. Students may use T-REG/My Web Services to make changes through the day before your class starts.

**Adding Classes After**

You must attend a class in order to add. If the instructor can accept any additional students, s/he will give you a four-digit authorization code (ADD CODE). You will need to process this code over T-REG 408-741-8734 system to add the class. You can't process this code over the WEB. You must use this code immediately because it will become invalid if the census date for the class has passed.

**Term courses, 75% of the term of the class will**

**require a refund.**

**After instruction:**

Your responsibility to go to the WEB to My Web Services and print out your current schedule verifying the ADD was processed. **The deadline to process all ADDS is September 12, 2008.**

It is your responsibility to meet all pre and co-requisite requirements. In addition, it is your responsibility to drop the course you added if you no longer want it. Be sure to check deadline dates.

**Dropping Classes After Instruction**

**Before Instruction:** You can use T-REG/WEB
to drop your classes before the term.

**After instruction:** You can use T-REG/WEB
to drop your classes. The last day to drop full semester-length classes without a “W” and receive a refund is **September 12, 2008.** You may still drop without a “W” until **September 19, 2008 but NO REFUND** will be issued. Short-term classes must be dropped by the end of the day of the first class meeting to avoid a “W” and receive a refund.

The **deadline** to drop semester-length classes with a “W” is **November 21, 2008.** For short-term courses, 75% of the term of the class will be used to determine the last day to drop with a “W.” After the determined last day to drop, a letter grade other than a “W” will be posted.

An instructor’s signature is not necessary to drop a class. It is necessary, however, to have the signature of the laboratory attendant when dropping chemistry (except Chem 50) and photography classes, and to get a clearance from the Physical Education Department when dropping a P.E. class if you have been issued a locker.

**Instructors MAY drop students for failure to attend the first meeting of the class. You should notify the instructor if you are unable to attend the first class meeting.**

**DO NOT ASSUME THAT YOU WILL BE “DROPPED” FROM A CLASS. IT IS THE STUDENT’S RESPONSIBILITY TO DROP ALL UNWANTED CLASSES.** No enrollment fee refunds will be made for classes dropped after the published refund deadline in current Schedule of Classes (see academic calendar)

**Audit Information**

West Valley College has a student audit policy. Students may not sign up to audit until the class begins. Students need to obtain a “Request to Audit” form from the Division Office and go to the first class meeting. The instructor will sign the form after determining if the student qualifies as an auditing student and if the class is one which may be audited. The signed Request to Audit form is then taken to the Cashier in Admissions and Records and fees are paid. The fee for auditing is $15 per unit.

**Credit/No Credit Option**

Not all classes are available on a credit/no credit or grade option. Check the West Valley College Catalog to determine if your class offers this option. If it does, notify your instructor that you choose the credit/no credit option. This must be done before one third of the class (six weeks for a semester-length class) has passed. If you do not notify your instructor, you will automatically receive a letter grade.

**NEW International Students**

REQUISITED immigration information session for students who have received I-20's from West Valley College for the FALL 2008 semester. Sign up for one of the planning sessions listed below.

**Online Orientation**

Online orientation is available to new students who are unable to attend an on-campus orientation. This orientation option is self-paced and is designed for students who have no previous college experience or fewer than 20 completed college units. This orientation does not include an educational plan. Please meet with a counselor to develop your educational plan. Access on-line orientation at:

http://westvalley.edu/orientation/

**SPECIAL ADMISSION OF HIGH SCHOOL STUDENTS**

**Concurrent Enrollment**

This program is a cooperative venture between West Valley College and the local high schools. Under this program students may attend West Valley College as a Special part-time student. Students may take college courses to supplement their high school education programs. Basic skills courses are NOT available to concurrently enrolled students. This program is designed for students who can benefit from advanced academic and vocational course. Financial Aid manages programs designed to help students pay for educational and living expenses while they’re in school. When students apply for financial aid, we evaluate their circumstances and identify all the financial help available to them through federal, state, and other programs.

Unfortunately most students don’t realize they may qualify for one or more of the financial aid programs currently available. Many students miss out on money that can help them through their educational careers—especially when it’s money they don’t have to pay back.

FINANCIAL AID PROGRAMS AVAILABLE

- Federal Pell Grant – pays up to $4310/year
- ACG - pays $750 1st. year - $1300 2nd year
- Chafee Grant – pays up to $5000/year (former foster youth only)
- Federal Supplemental Education Opportunity Grant (FSEOG) – pays up to $500/year

Board of Governors Fee Waiver (BOGW)

Federal Student Loans

Extended Opportunity Programs and Services (EOPS)
- Educational and financial support services for low-income and educationally under-prepared students.

All but loans provide you money you don’t have to pay back!

FINANCIAL NEED: The difference between the cost of education and the resources available to you.

STEPS TO APPLY FOR FINANCIAL AID
Apply for all the above programs with the following process.

1) Complete the Free Application for Federal Student Aid (FAFSA). Apply online at www.fafsa.ed.gov. Toward the end of the application, enter West Valley College (school code: 001338) on your application to ensure that we receive a copy of your application.

2) Stop by the Financial Aid Office to find out what other forms you will need to complete, including the Financial Aid Data Sheet and the Satisfactory Academic Progress Standards document. There may be additional forms that you will be asked to complete, depending on your individual circumstances.

3) If you are interested in Federal Work-Study, stop by the Financial Aid Office to complete a Federal Work-Study Agreement form.

4) If you wish to apply for a student loan, stop by the Financial Aid Office to sign up for a loan orientation session.

5) Review the financial aid web pages online at www.westvalley.edu (select “Financial Aid” from the Quick Links menu). Here you will find additional forms and information about scholarships, Federal programs, State programs, and Veterans educational benefits.

Special circumstances: If you didn’t initially qualify for all the aid you expected, be aware that some students have special circumstances that make them eligible, or increase their award levels. These may include:
- Changes in dependency status or family status
- Recent unemployment
- Ability to pay for college
- Other situations that may impact the family ability to pay for college

Our Financial Aid Director must assess your situation to determine your eligibility. Stop by the Financial Aid Office to request a “Professional Judgment” packet.

Financial Aid Application Deadlines
- To ensure priority consideration for Cal Grant eligibility, file your FAFSA 2008/2009 application and GPA Verification between January 1, 2008 and March 2, 2008.

Scholarships

West Valley College Scholarships are designed to recognize accomplishments and to provide tangible encouragement to students who have demonstrated academic achievement, leadership, community service, and financial need. Funds are donated from a joint investment of contributions from the private sector and from West Valley College employees. Applications are available from the Financial Aid Office in mid-November of each year. Awards are announced in late spring, to be awarded for the following school year.

Outside scholarships: Many foundations, professional associations, religious and ethnic organizations, and corporations offer grants and scholarships. These awards are based on a wide variety of qualifications including, financial need, academic achievement, religious affiliation, ethnicity, and special interests. Some of these organizations request that we announce their scholarships to our students. These announcements are posted on the bulletin board at the Financial Aid Office.

Return of Title IV Funds

A student may owe money back to the Department of Education if he/she received federal financial aid and then withdrew before completing 60% of the semester or completed zero units at the end of the term. The federal programs include: Pell Grant, Academic Competitiveness Grant (ACG), Federal Supplemental Educational Opportunity Grant (FSEOG), and the Federal Family Educational Loan Program (FFELP). The college is required to determine the amount owed and to bill the student. The student has 45 days to respond. If the student fails to pay the debt, the College is required to notify the National Student Loan Data Service (NSLDS) and at that time, the student becomes ineligible for any further financial aid consideration. Regardless of which school the student is attending, until the debt is paid in full.

Veteran’s Educational Benefits

New veterans should contact the Veterans Office, located in the Administration and Records building, at least one and one-half months prior to the first day of school in order to request advance pay. An early date will avoid delay in receipt of the first payment. You must bring a copy of your DD214 or 2384 (Certificate of Eligibility) and any documentation relating to spouse and/or dependents. Returning vets should allow the same amount of time for their requests. Continuing veterans should check with the Veterans Office as soon as they register each semester.

The Intersegmental General Education Transfer Curriculum (IGETC) consists of a series of courses that community college students can use to satisfy lower division general education requirements at any CSU or UC campus.

IGETC certification can be either full or partial. See a counselor for details. Certification of IGETC will permit a student to transfer from a community college to a campus in either the California State University (CSU) or the University of California (UC) system without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements. A minimum grade of “C” in each course is required.

Completion of the IGETC is not a requirement for transfer to a CSU or UC, nor is it the only way to fulfill the lower-division general education of the CSU or UC prior to transfer. The West Valley-Mission Community College District and West Valley College have made every reasonable effort to determine that everything in this class schedule is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the Administration of the West Valley-Mission Community College District or West Valley College for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District and the College. The District and College further reserve the right to add, amend, or repeal any of their rules, regulations, policies and procedures.
INFORMATION DISCLOSURE

The Family Educational Rights and Privacy Act (FERPA) and District policy afford students certain rights with respect to their education records. They are:

1) The right to inspect and review the student’s education records within 5 days of the day the College receives a request for access. Students should submit to the Registrar, or other appropriate official, written requests that identify the records they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the College to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2) The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading. Students may ask the College to amend a record that they believe is inaccurate or misleading. They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for such amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the College discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

If the student is an employee of West Valley College, the College may disclose education records to the U.S. Department of Education concerning alleged failures by West Valley College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

California Nonresident Tuition Exemption
For Eligible California High School Graduates
(The law passed by the Legislature in 2001 as “AB 540”)

GENERAL INFORMATION

Any student, other than a nonimmigrant alien, who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the University of California, and the California State University (all public colleges and universities in California).

- **Requirements:**
  - The student must have attended a high school (public or private) in California for three or more years.
  - The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam).
  - An alien student who is without lawful immigration status must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.

- Students who are nonimmigrants [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.

- The student must file an exemption request including a signed affidavit with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.

- Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation if required) to each college under consideration.

- Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will not be classified as California residents. They continue to be “nonresidents.”

- **AB540** does not provide student financial aid eligibility for undocumented alien students. These students remain ineligible for state and federal financial aid.

PROCEDURES FOR REQUESTING THIS EXEMPTION FROM NONRESIDENT TUITION

**California Community Colleges:** Complete the form on the reverse. Submit it to the Admissions Office at the community college where you are enrolled or intend to enroll. You may be required to submit additional documentation. Call the college Admissions Office if you have questions.

**University of California:** The University of California (UC) system has its own nonresident tuition exemption application and affidavit form, but it will accept the exemption request form used by the California Community Colleges and the California State University. Your campus has established deadlines for submission of exemption requests; however, requests are not to be submitted until you have been admitted to a UC campus. Some students, such as transfer, graduate, and professional students, also must submit their official high school transcripts; check your campus for specific instructions. Once you are determined to be eligible for the exemption, you will continue to receive it as long as you fulfill the eligibility requirements or until the University no longer offers this exemption. The exemption covers the Nonresident Tuition Fee and the Educational Fee differential charged to nonresident students. Applying for the exemption does not alter your responsibility to pay by the campus deadline any nonresident tuition and associated fees that may be due before your eligibility is determined. General information is available at: [www.ucop.edu/sas/sfs/Programs_and_Policies/ab540faqs.htm](http://www.ucop.edu/sas/sfs/Programs_and_Policies/ab540faqs.htm). For campus-specific instructions regarding documentation and deadline dates, contact the campus Office of the Registrar.

**California State University:** Complete the form on the reverse. Contact the Office of Admissions and Records at the CSU campus where you are enrolled or intend to enroll for instructions on submission, deadline information, and additional requirements. You will be required to submit final high school transcripts and appropriate records of high school graduation or the equivalent, if you have not done so already. Call the Office of Admissions and Records at the campus if you have questions.

CAMPUS SAFETY

The West Valley/Mission Community District strives to maintain a safe environment for students, staff, and visitors to pursue educational objectives. However, a truly safe and secure campus can only be achieved with thorough cooperation of all members of our College community.

Throughout the academic year, the District Police and Health Services in conjunction with Student Services presents informational programs concerning the awareness and prevention of sexual assault. These programs consist of guest speakers, films and printed materials. To obtain further information, please contact either the District Police, Health Services or Student Services. Counseling assistance is available through Health Services and the Counseling Department.

The College will vigorously prosecute and discipline persons identified as responsible for sexual assaults. In addition to criminal prosecution, the College may impose discipline against students, student organizations or College faculty or staff identified as committing or participating in sexual assaults. College discipline includes: expulsion from the College; suspension for a specific time period; or probation for a specific time period.

Discipline proceedings involving students will be processed through the office of the Vice President of Student Services. Discipline proceedings involving faculty or staff members will be processed through the District Human Resources office. Both the accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding. The College will not disclose the identity of the accuser and the accused shall be informed of the outcome of any campus proceeding alleging a sexual assault.

Campus facilities are generally open Monday - Friday, 8am - 5pm, and during other hours as special events, extra curricular and as classes dictates.

REPORTING SEXUAL ASSAULT

As soon as possible, the victim should report incidents of sexual assault, including date or acquaintance rape to the District Police Department, the local police (if the victim is unable to make contact with the District Police), or a College faculty or staff member who can aid in contacting the proper authorities. The Counseling Department and Health Services can also help in contacting the proper authorities. The victim should make every attempt to preserve any physical evidence of the assault. This may include not showering or bathing, not cleaning the scene of the incident, and not disposing of any damaged clothing or other items.

The District Police will immediately initiate a criminal investigation into on-campus sexual assaults.

The victim will be given information on counseling and support groups. If the victim wishes to change an academic schedule, the appropriate steps will be taken to accommodate the victim to the full extent possible. The College also encourages persons reporting to seek the support and assistance of friends or family when needed, in presenting their concerns. Santa Clara County offers 24 hour counseling for victims of crimes. The Santa Clara County Valley Rape Crisis Center may be reached at (408) 287-3000.

SAFETY ESCORTS

There is an escort service at both colleges available from 5:00 pm to 10:00 pm Monday through Thursday. Escorts can be reached by dialing 2092 on campus or 741-2092 from a non-campus line. Times must be arranged in advance so the escorts can meet students at their classes.

The District Police will provide you with assistance in unlocking your vehicle, providing jumper cables, or summoning a tow truck or locksmith to assist you. We cannot attempt to open vehicles which have electric locks or windows. We will also assist family members in contacting students who are in class if there is a serious family emergency.

CRIME PREVENTION

The District Police Department provides a number of services to help educate the campus community in how to avoid being a victim of a crime. Printed information is available at the West Valley District Police Department and at the Mission College Police Desk on various topics including: Sexual Assaults, Vacation Security, Family Violence Reduction, Battered Women, Home Security, Crime Victims’ Rights, Robbery Prevention, Car Crime Prevention, and How to Guard Against Attack In and Around Your Car. The police personnel are always available to answer questions and make suggestions regarding campus security issues. The Crime Prevention Officer publishes a periodic newsletter which updates the students and faculty and staff on various aspects of campus safety and current concerns and he/she is also available to make special presentations by appointment.

The campus community will be advised of any situations/events which pose a threat by the e-mail and the posting of bulletins. The sooner the police are called the better our chance of solving the crime. If you happen to see something suspicious, do not hesitate to call the police with a description of the persons, their vehicle and what they are doing. This may save a fellow student or staff member from suffering the frustration associated with being a victim. Remember it is a team effort. The police are here to serve and assist you, and we need your help to maintain a safe campus that is conducive to learning.

CRIME STATISTICS FOR WEST VALLEY COLLEGE AND MISSION COLLEGE

The West Valley/Mission College District Police Department submits monthly crime statistics to the Department of Justice. The following charts represent the number of crimes reported during the last three years. More detailed campus safety information is available at www.wvmccd.cc.ca.us/police
