The Financial Aid Office is required to monitor each student’s academic progress toward his/her declared program of study. An eligible Financial Aid Program of Study is an AA/AS degree, a Transfer Program, or a certificate that is at least 16 units, 15 weeks long and is state approved. In order to monitor your progress, this institution has established a Satisfactory Academic Progress Policy (SAP) and all students receiving financial aid must be in compliance.

**DEADLINES** – Summer 2015 - July 7, 2015 to be considered for Summer 2015 payment.
Fall 2015 - November 10, 2015 to be considered for Fall 2015 payment.
Spring 2016 - April 12, 2016 to be considered for Spring 2016 payment.

**IMPORTANT!** A maximum of three (3) appeals district-wide will be considered by the appeals committee during a student’s attendance at West Valley and Mission Colleges. No exceptions. Students with a BA/BS degree may be eligible, if approved, for up to a total of one year.

**Satisfactory Academic Progress (SAP) Appeal:** will only be reviewed for documented extenuating circumstances (i.e., serious illness, severe injury, car accident, death in the family, etc.) which affected academic progress. Wrong or difficult class, too many units in the term, bad time management, transportation issues, too many work hours, etc. are NOT extenuating circumstances.

Appeals must include an explanation of the contributing factors, documentation of those circumstances, and must outline corrective or preventative measures to ensure satisfactory progress in the future.

**Maximum Timeframe (Over Units) Appeal:** Federal guidelines state the total number of units attempted may not exceed 150% of the declared educational goal.

All Appeals will be reviewed by the Financial Aid Appeals Committee. The student will be notified the Committee’s decision by email or mail, including written committee recommendations and requirements. The decision of the Financial Aid Appeals Committee is final. No in-person appeals will be considered. Students not eligible to appeal should contact the Financial Aid Office if they have regained eligibility during the aid year.

FAQs:

**What is Financial Aid Warning?** A student is placed on Financial Aid Warning when the minimum requirements of the Satisfactory Academic Policy are not met. (1) must have minimum cumulative GPA of 2.00 and (2) must successfully complete at least 67% of the semester units attempted and, THIS IS NEW, 67% of the cumulative number of units attempted and (3) may not have attempted over 150% of units required to meet the student’s educational goal.

**What is Financial Aid Disqualification?** A student is on Financial Aid Disqualification (DQ) when the student has: (1) two consecutive semesters with a Warning status and/or (2) 90 or more attempted units, including transfer units. Attempted units are units at West Valley College and any units from other college(s) evaluated and listed on the West Valley transcript. (3) already earned a BA/BS degree, even if it is from a foreign country.

Can I still get my grant money, Work Study job or apply for a loan if I am on Financial Aid DQ? No, you may not benefit from these programs without submitting an Appeal and having it approved. A DQ status does not affect the Board of Governors’ Fee Waiver (BOGW).

**What is a Financial Aid Appeal?** The appeal allows you to explain in writing any circumstances that may have contributed to your inability to meet the minimum requirements of our Satisfactory Academic Progress Policy. Appeals should be prepared thoughtfully and should focus on the reason(s) for the appeal. Attach supporting documentation for the committee to review. Please, complete your responses before seeing a counselor. Incomplete appeals will not be reviewed.

Do I have to meet with a counselor? Yes. This is your opportunity to discuss with a counselor your particular situation. Schedule a one hour appointment; this cannot be completed on a drop-in basis. The counselor will also help you complete an Educational Plan. The Ed Plan and current semester enrollment must match.

Can I get paid for a previous semester if my appeal is approved this semester? No, a student regains eligibility only for the semester in which the appeal is approved.

I just need a few classes in order to be admitted to a degree program at another school. Can I get financial aid? No, an eligible Financial Aid Program of Study at WVC is an AA/AS degree, a Transfer Program, or a certificate that is at least 16 units, 15 weeks and is state approved.

I have a double major. How does that affect financial aid? Financial Aid can only pay for one program of study at a time.

What if my appeal is denied? Can I appeal to a higher authority? No, the decision of the Financial Aid Appeals Committee is final.
